2. अध्यक्ष महोदय ने सभी सदस्यों का स्वागत करते हुए बैठक का आरम्भ किया।

3. The following issue was raised by RAJSICO, Jaipur-

(i) **Intervene in the matter of space allotment for RAJSICO at Airport :-**

Shri Akash Alha, Chief Accounts Officer, Rajsico Jaipur requested to intervene in the matter of space allotment for RAJSICO at Airport so that the stake of Government entity will remain and save traders for facing monopolism in cargo business.

Reply given by the Department: The worthy Commissioner apprised that it is the matter between two independent commercial entities viz., Adani International Airport limited Jaipur and RAJSICO. Further, it's obligation of the cargo handler/Custodian to provide storage facility, separately for imported good and export goods and goods under transshipment. This office has no active role in allotment of strong room/ space at international airport to custodian. Further, the trade representatives raised their concern regarding continuity of export/import after 31.03.2022 as the custodianship of RAJSICO is expiring on the said date. In reply of the same the Chief Commissioner apprised that they are concerned about both air cargo & trade and they directed that trade should not suffer in the matter. The department will ensure to provide smooth export/ import facility to trade during the transition phase. In the long run RAJSICO has to look for an alternative arrangement.

During PTFC meeting it was pointed out by trade that in some cases of rough and semi precious stones the classification of goods gets changed by officers of FAG group which take time to clear the consignment as it requires a number of clarifications. The chair assured that they are trying their best & monitoring for fast clearance of consignment.

Further representative from JGE requested Hon'ble Chairman to take up the matter of exemption from Cost Recovery Charges with DGHRD. The Chair assured that the matter has already been forwarded to DGHRD for further necessary action & will be followed up for clarification.

During discussion the trade representatives appreciated the trade facility measures taken by department i.e FAG, fast clearance, special outreach, ECCS etc. & also appreciated the efforts of the officers posted at Airport for their performance and detection of smuggling of gold and drug cases. The Chief Commissioner & Commissioner assured the trade that their officers are always ready to help/ facilitate the trade for ease of doing business.

Thereafter, the Chair thanked all the members for their deliberation. The meeting concluded with a vote of thanks to the Chair. Next date of the CCFC and PTFC meeting would be communicated well in advance.

This issues with the approval of the Commissioner of Customs, Jodhpur (Hqrs. at Jaipur).
